

STATEMENT OF EMERGENCY

201 KAR 35:080E

This emergency administrative regulation amendment is being promulgated to address an imminent threat to public health, safety, or welfare caused by the shortage of qualified counselors available to treat individuals during the current substance abuse crisis. Further, this emergency amendment is being promulgated to meet an imminent deadline imposed by state statute, namely SB 191. SB 191, signed by the Governor on April 24, 2020, and effective on March 1, 2021, amends KRS 309.080 to 309.089 to create two (2) additional credentials for drug and alcohol counseling. These credentials are administered and enforced by the Kentucky Board of Alcohol and Drug Counselors ("Board"). Among other things, KRS 309.0813, as amended by SB 191, requires the Board to promulgate administrative regulations to administer and enforce the new credentials. This statutory change required the amendment of nine (9) regulations and nineteen (19) forms. The Board has been diligently working on these regulatory amendments and forms, since the passage of SB 191. This emergency amendment will allow the Board to certify applicants for the two (2) new credentials created by SB 191 and regulate them in compliance with the statute effective March 1, 2021. An ordinary administrative regulation is not sufficient, because of the imminent effective date of SB 191. This emergency administrative regulation will be replaced by an ordinary administrative regulation. The ordinary administrative regulation is identical to this emergency regulation.
